What the focus charts say about you

Each focus chart gives a plain-language prediction before the report moves into tables and proof.

CORE CHARTS FIRST

Core charts come first because the user needs the main prediction before tables. Predicta reads D1, Moon, D9, D10, and Chalit in a fixed order, then uses later sections as evidence.

Vedic Life Prediction

Vedic prediction: this report is focused on whole-chart understanding without mixing KP, Jaimini, Numerology, or Signature methods. - Main prediction area: whole-chart understanding without mixing KP, Jaimini, Numerology, or Signature methods.
- Active timing prediction: Rahu Mahadasha and Rahu Antardasha shape this chapter until 2027-02-26.
- D1 Rashi Chart: Leo ascendant; occupied houses house 1 sign 5 Leo: Mercury 0.9° C, Sun 5.5°, Jupiter 22.4°; house 2 sign 6 Virgo: Saturn 2.7°; house...

FACTOR	OBSERVATION	MEANING
Technical basis	Parashari D1, varga, dasha, gochar, remedy, and holistic layers.	This evidence supports the Vedic prediction instead of replacing it.
Timing	Rahu/Rahu until 2027-02-26.	The current dasha frames the active timing and what needs attention now.
Focus evidence	D1, D9, D10, house 1, house 5, house 9, house 10	whole-chart understanding without mixing KP, Jaimini, Numerology, or Signature methods

SYNTHESIS

Executive summary

Bhaumik Mehta's report begins with Leo Lagna, Sagittarius Moon, Mula nakshatra, and Waxing Moon. The active timing is Rahu Mahadasha with Rahu Antardasha, so the report reads both the natal promise and the period currently delivering results.

- Strongest ashtakavarga support: houses 11, 10, 6.
- Correction zones: houses 2, 7, 5.
- Moon rhythm: Waxing Moon with Mula pada 4. Pada 4 completes the star energy. It often shows emotion, depth, inner processing, and the final expressio...

FACTOR	OBSERVATION	MEANING
Identity spine	Leo Lagna with Sagittarius Moon.	Use Lagna and Moon together before area-specific advice.
Timing layer	Rahu/Rahu until 2027-02-26.	Current period should frame decisions and report priorities.
Strength distribution	Strong houses 11, 10, 6; care houses 2, 7, 5.	Support and correction zones are explicitly separated.

HOLISTIC SYNTHESIS

Holistic useful report spine

This section joins the report into one human reading. Predicta reads the chart through today, life balance, timing, and one light supporting practice reference before moving into detailed chart sections.

- Today: Mars day with Kama emphasis.
- Daily rhythm: morning - Move the body, speak directly without anger, and protect someone without dominating them.; midday - Starting one clear task;...
- Life balance: Kama leads now; Dharma needs steadier care.

FACTOR	OBSERVATION	MEANING
Daily rhythm	Today: Mars day with Kama emphasis.	Keep one weekly discipline dedicated to Rahu: a simple prayer, mantra, study, or service act done without bargaining for results.
Purushartha balance	Kama 81%; Dharma 66%.	Use this support consciously. Keep desire, communication, partnership, and social choices clean.
Panchang	Tuesday, Mars, Shukla Pratipada, Ardra.	Move the body, speak directly without anger, and protect someone without dominating them.

Chart foundation behind the answer

This spread preserves birth data, chart structure, and calculation confidence after the main prediction is clear.

RECTIFICATION

Birth time confidence

Birth time looks stable enough for standard report synthesis, while still deserving normal verification.

- Birth time is not marked approximate and ascendant is not near a sign boundary.
- Check: Was the recorded birth time taken from a document, hospital memory, or family recollection?
- D1 and core divisional synthesis can be read normally. Exact event dates still need caution.

FACTOR	OBSERVATION	MEANING
Birth time confidence	Needs rectification: no; ascendant degree 6.6993.	Broad D1 and core divisional synthesis can be used normally.

Timing prediction and current cycle

This is where active periods, current motion, and near-term planning windows are translated into what to start, wait on, repair, or avoid.

TRANSITS

Current transit weather and Sade Sati

Transit insights compare current planetary movement from both Lagna and Moon. Sade Sati is included here because Saturn must be read from Moon sign before turning pressure into practical guidance.

- Bhaumik Mehta's Gochar currently reads as mixed. Saturn in Pisces is the first anchor; Saturn asks for extra pacing.
- Dasha overlay is active: Rahu appears in both Gochar and Rahu/Rahu timing.
- Not active: Useful insight: Sade Sati is not active because Saturn is 4 from Moon. Still, Saturn in Pisces should be handled with steady routines and...

HOUSE-WISE TABLE

House-wise planet table

This table shows which planets are influencing which houses so chart evidence turns into clear life guidance. The rows below preserve house, sign, degree, nakshatra, dignity, combustion, and retrograde evidence so the prediction remains traceable.

- Rows included: 9.
- Each row keeps house, sign, degree, nakshatra, retrograde, combustion, exaltation, debilitation, and dignity visible.
- Combustion and dignity are read conservatively with visible chart data.

FACTOR	OBSERVATION	MEANING
Sun	House 1; Leo 5.51deg; Magha pada 2.	neutral; direct; not combust
Moon	House 5; Sagittarius 11.78deg; Mula pada 4.	neutral; direct; not combust
Mars	House 3; Libra 1.78deg; Chitra pada 3.	neutral; direct; not combust

FACTOR	OBSERVATION	MEANING
Ketu	House 6; Capricorn 26.61deg; Dhanishta pada 1.	neutral; retrograde; not combust

BENEFIC / MALEFIC

Benefics and malefics

This helps users understand why a planet can feel supportive in one chart and more demanding in another. Natural nature and Lagna-specific function are kept separate so the report does not call a planet helpful or difficult too casually.

- Natural benefics: Jupiter, Venus, Mercury, Moon.
- Natural malefics: Saturn, Mars, Sun, Rahu, Ketu.
- Functional benefics for this Lagna: Sun, Jupiter, Mars.

FACTOR	OBSERVATION	MEANING
Natural benefics	Jupiter, Venus, Mercury, Moon	Shows generally supportive graha nature before Lagna-specific ownership is applied.
Natural malefics	Saturn, Mars, Sun, Rahu, Ketu	Shows generally sharper graha nature before Lagna-specific ownership is applied.
Functional benefics	Sun, Jupiter, Mars	Shows planets that tend to support this specific Lagna by house ownership.
